Dissemination event- Report

Organising institution: UMIT – University of Health sciences, Medical Informatics and Technology; - Institute of Nursing Informatics – Prof. Dr. Elske Ammenwerth. Hall in Tirol – Austria

Venue: ENI – European Nursing Informatics: 9th –scientific congress of information technology in health and social field in Hall in Tirol – Austria.

Date: 14-15/09/2017

Description.

ENI is an international congress, aimed to foster communication between practitioners, scientists and industry in the field of information technology in the health, nursing and social sectors.

The title of the event was: **How much technology does nursing need?** National and international experts discussed several issues. You can find more information about the topics on this following side: <http://www.kongress-eni.eu/programinfo>

Prof. Ammenwerth presented the PH-ELIM project at a poster presentation.
