National Centre for Public Health Education

PHedu@ME Mision

To **develop** and **disseminate knowledge and awareness** on Public Health, creating the conditions for improving capabilities, skills, cooperation and communication between the different stakeholders involved in the promotion and prevention of health at national level in Montenegro.

PHedu@ME Vision

To create and disseminate relevant, engaging, accessible, and scalable digital content that will:

- Deliver a **high quality, engaging educational experience** to learners in Montenegro, including those from resource challenged regions;
- **Increase knowledge retention** by customizing learner pathways based on individual needs;
- **Serve as a catalyst to inspire educational institutions** in Montenegro and in the Western Balkan region to improve their own pedagogy and the access they offer to it.

Core strategy: REPURPOSE HIGH-QUALITY, HEALTH-RELATED DIGITAL ASSETS and BUILD STRONG PARTNERSHIPS WITH TRUSTED EDUCATION ORGANIZATIONS in Montenegro and around the Western Balkan region.

The center also supports the **CREATION OF HYBRID LEARNING PROGRAMS** that optimize online and in-person educational interactions, and aims to empower faculty in Montenegro and WB region to develop additional innovative content and delivery offerings for health and wellness education.
